

WEEK 6 YEAR 5 wk beg. 27.05.20

	Maths	English	Other
Monday	<p>Watch the instructional video - Week 2 lesson 1. https://whiterosemaths.com/homelearning/year-5/ Complete the activity which goes alongside the video. Check your answers using the answer sheet.</p>	<p>The Game (Talk for Writing) - carried over from last week - see below for last week's details</p> <p>As you may be aware, we are now using a program called Talk 4 Writing to structure our English lessons. Pie Corbett, the creator of this program, has made a home learning pack for year 5 called The Game, based on the film Jumanji.</p> <p>https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y5-Unit.pdf</p>	<p>Reading - to be completed over two days To complement our Traditional Tales unit starting in English next week we are going to read Firebird in these sessions. Read Chapter 1 only this week and then complete the Comprehension activity. Extension - Summarising activity</p> <p>PSHE: This term's topic in PSHE is Drugs and Alcohol. Follow the below link to complete a quiz, showing what you know about this topic already. https://www.educationquizzes.com/ks2/personal-social-and-health-education/drugs/</p>
Tuesday	<p>Watch the instructional video - Week 2 lesson 2. https://whiterosemaths.com/homelearning/year-5/ Complete the activity which goes alongside the video. Check your answers using the answer sheet.</p>	<p>Over the course of the week, we would like you to work through this pack. You will find reading, SPAG and writing activities. It is important that you follow the pack in order for it all to make sense.</p> <p>By the end of the unit, you would have written your own 'Finding Tale'. We would love you to publish these stories any way you wish, and send them to us for us to read.</p> <p>Happy Writing!</p>	<p>History: This term we are starting our new unit looking into the History of Godalming and how it has changed over time. This lesson you are going to be using maps to help you identify manmade and natural landmarks that are present in Godalming today and comparing them to ones that can be found on a Victorian map.</p> <p>You will find a PDF document with the lesson, instructions and resources that you will need.</p>
Wednesday	<p>Watch the instructional video - Week 2 lesson 3. https://whiterosemaths.com/homelearning/year-5/ Complete the activity which goes alongside the video. Check your answers using the answer sheet.</p>	<p>Happy Writing!</p>	<p>French Greetings Word search</p> <p>Computing Go to: https://scratch.mit.edu/ Click on: Learn How to Make a Project/ Tutorials/ Make a Chase Game Watch the tutorial and then create your own Chase Game If you need to brush up on Scratch from Year 3 have a look at some of the other tutorials like Getting Started, Add a Sprite and Add a background.</p>

			<p>You may create an account in Scratch to save your game but I would also like you to send me a few sentences describing the game you created. https://scratch.mit.edu/projects/387940550/editor</p>
Thursday	<p>Watch the instructional video - Week 2 lesson 4. https://whiterosemaths.com/homelearning/year-5/ Complete the activity which goes alongside the video. Check your answers using the answer sheet.</p>		<p>Science: this half term we will be looking at living things. This week you are going to start by looking at how we classifying things as living or non-living. You will find a PDF document with the lesson as well a sorting resource that you will need.</p>
Friday	<p>Complete the worksheets to show your understanding of decimals so far.</p> <ol style="list-style-type: none"> 1. Doubling decimals space race 2. Decimal place value challenge (either challenge 1, 2 or 3) 3. Decimal place value riddles 		<p>Art Look at the starter activity - there is a painting and some questions (by the time you have completed this lesson you should discover the title) This term we are taking inspiration from the artist Henri Matisse Research his life and his work. How did his work change? Who was he influenced by? Find some examples of his most famous pieces and the story behind them. Present your findings in a timeline using pictures where possible to illustrate events. https://kids.kiddle.co/Henri_Matisse https://www.tate.org.uk/kids/explore/who-is/who-henri-matisse RE This term we are focussing on Islam. Find a definition for the following words: Muslim Muhammad Allah Who were the Prophets sent by Allah to teach about His nature and guidance for humans? Why is Saudi Arabia important to people of Islam faith?</p>
