

## WEEK 2- 30th March 2020

	Maths	English	OTHER
Monday	Comparing fractions - unit fractions with unit fractions Comparing fractions - with the same denominator <a href="https://www.splashlearn.com/fraction-games">https://www.splashlearn.com/fraction-games</a> <a href="https://eng.mathgames.com/skill/3.87-compare-fractions">https://eng.mathgames.com/skill/3.87-compare-fractions</a>	Find and read a poem Look up any words you don't understand Write a short summary of what the poem is about	30 minutes per day:  <b>THE S PROJECT</b> Choose something that begins with the letter 'S' and complete a well-presented research project on it. The 'S' might be a country, a sports person, an invention, a food, an author... the choice is yours!  15 minutes per day: reading  30 minutes per day- exercise. You could go on <a href="http://www.gonoodle.com">www.gonoodle.com</a> or check out Joe Wicks who has started regular PE lessons at 9am.
Tuesday	Maths sheet – choose just one. If you don't want to print out the sheet, write the answers clearly and neatly in your book. You can mark your own work or get a grown up to do it.	Write out your poem neatly and decorate it.	
Wednesday	Adding fractions with the same denominator  <a href="https://www.softschools.com/math/games/fractions_practice.jsp">https://www.softschools.com/math/games/fractions_practice.jsp</a>		
Thursday	Maths sheet – choose just one. If you don't want to print out the sheet, write the fraction number sentences and their answers clearly and neatly in your book. You can mark your own work or get a grown up to do it.	Learn your poem off by heart and practise performing it. Perform your poem for someone at home	
Friday	TT Rockstars- 5 sessions in the studio.	Spelling – find the definitions of and practice spelling these words: important interest perhaps popular remember
