

Frosty the Snowman - 3NJ

Frosty the snowman was a jolly happy soul,
With a corn cob pipe and a button nose
And two eyes made out of coal.

Frosty the snowman is a fairytale, they say;
He was made of snow but the children know
How he came to life one day.

There must have been some magic
In that old silk hat they found,
For when they placed it on his head
He began to dance around.

Oh, Frosty the snowman
Was alive as he could be
And the children say he could laugh and play
Just the same as you and me.

Frosty the snowman knew the sun was hot that day,
As he said, 'Let's run and we'll have some fun
Now before I melt away.'

Down to the village, with a broomstick in his hand,
Running here and there all around the square,
Sayin' 'catch me if you can.'

He led them down the streets of town
Right to the traffic cop,
And he only paused a moment when
He heard him holler 'Stop!'

Frosty the snowman had to hurry on his way,
But he waved goodbye sayin'
'Don't you cry, I'll be back again some day.'
