Staffing

We are very pleased to announce that teachers will be remaining in their current year groups from September. The year group teams have only been together for a year and we feel the school and the children would benefit from them working together again next year and developing their curriculums even further to make them *more* engaging, *more* challenging and *more* purposeful. We will sadly be saying goodbye to Mrs Sally Hodgson who is relocating to Oxford after 8 years at GJS. More information regarding next year and new classes will be shared with you in the coming weeks.

Water Bottles

As we move into summer months can you please ensure that your child has a named water bottle in school.

Inter House Events

It was great to see the twelve acts from **MARS** this week audition for the **Inter House Talent Show**. Miss Barlow will be holding further auditions in her classroom at lunchtimes next Wednesday for those that are interested and wish to enter from **NEPTUNE**. Further information can be found on the house notice board near the school office. The captains will then choose three acts to represent their house ready for the show on **Wednesday 20th July** during the afternoon. ALL children are welcome to audition and the acts can be anything from comedy to magic! The children are also free to collaborate with other children. ALL children who audition will also score valuable house points. The final acts will be announced on **Friday 15th July**. Further information on the other events will be coming soon!

Bleep Test—Round 3

On Monday the children will be taking part in their third and final Bleep Test of the year. The whole school will be put through the stamina test and after school there will be an opportunity for parents, friends and carers to take part alongside the staff at the cost of £1 at **3.15pm**. The children will be able to come to school in Sports Mufti and they are **more than welcome** to bring in a voluntary contribution which will go towards raising valuable funds for the British Heart Foundation.

Values—FORGIVENESS

This term we are learning about how we as a school, community and nation can be more **FOR-GIVING**. Activities will encourage us to reflect on our actions towards others and their actions to us and what **FORGIVENESS** means to us as individuals. We do ask that this is followed up and reinforced at home and there may be 'Values' themed homework that is set to further consolidate the work covered in school.
