

- Who is this man?
- Why does he have so many unusual objects on his person?
- Does he have a job? What does he do? Does he have any hobbies?
- What is he looking for?
- Why are there crystals floating around his head?
- What happened to his arm?
- What is the creature next to him? Does it belong to him? How do you know?
- What do you think 'geomancer' means? What does 'geo-' mean? Is it in any words you know?
- What can he tell by looking at these rocks/crystals?
- Does this man work with other people?
- EXT: Write a short story about this man.
