

## Computing Scratch Year 5 Lesson 1

<https://scratch.mit.edu/>

Click on: Learn How to Make a Project/ Tutorials/ Make a Chase Game

OR go to: <https://scratch.mit.edu/projects/388252559/editor>

Watch the tutorial and then create your own Chase Game

If you need to brush up on Scratch skills from Year 3 have a look at some of the other tutorials like Getting Started, Add a Sprite and Add a background

You may create an account in Scratch to save your work, it's completely up to you but I would like you to send me a few sentences describing the game you created.
