Sayers Croft Parent Meeting—Thursday 26th May @ 6.00pm

Next week we will be hosting a parent information evening for our exciting new Year 4 residential. If you have not done so already, please notify the school office if you are attending the evening so we have an idea of numbers. The talk should be no more than an hour and Mr Samson, Mr Tompkins and Miss Dlugokecka will be around afterwards should there be any questions or queries. All the information will also be available from the school website.

Travelling Books—Book Fair

To coincide with the library being fully up and running, we will be running a Book Fair during the week beginning **Monday 23rd May**. Books will be on sale outside the library after school until Thursday and there will be a '3 for 2' offer on all books.

French Day—Friday, 27th May

Next Friday will be French Day when the children will be learning about the wider aspects of French culture. Please remember to send children to school dressed in red, white and blue mufti. We are also going to have a French breakfast so the children should bring something to eat such as a croissant (pre-spread if desired), a pain au chocolat or anything else "French" together with a small carton of juice.

Year 3 Swimming

Year 3 swimming lessons continue this week at Godalming Leisure Centre and will run every Wednesday morning during the summer term.

Values—FORGIVENESS

This term we are learning about how we as a school, community and nation can be more **FORGIVING**. Activities will encourage us to reflect on our actions towards others and their actions to us and what **FORGIVENESS** means to us as individuals. We do ask that this is followed up and reinforced at home and there may be 'Values' themed homework that is set to further consolidate the work covered in school.

Lost Property

As the amount of lost property has fallen considerably over the last two terms we will now be moving the lost property 'bin' to the hall in the shape of a green plastic dustbin and not the container under the canopy. It would be great if we could get to the stage when we do not need a container at all! Please ensure ALL items are clearly named and we will be on our way to achieving this!

Water Bottles

As we move into summer months can you please ensure that your child has a named water bottle in school.

Sainsbury's Active Kids Vouchers

Thank-you to everyone who has brought in Sainsbury's vouchers—they are greatly appreciated. Please keep bringing them in—the collection box can be found in reception.

House Points

Saturn	374
Neptune	372
Mars	367
