Homework and Reading Records

- Homework will be given out on a Monday and be returned on a Friday.
- Children will be expected to complete up to 40 minutes per piece of Maths and English homework every week. They will also be given a half termly project which should take approximately 90 minutes to complete overall. The English and half termly project will be uploaded onto Google Classroom. Maths will mainly be from our new maths homework books.
- Ideally we would like children to read every night and for adults to make a note of this in their reading record. We would also like children to keep a running record of the titles of the books that they are reading, which can be found at the front of their reading records.
- Children should aim to get at least 4 signatures/initials in their reading record each week which will be checked every Friday.

Helping with Reading at Home

- What has happened in the story so far?
- Who are the main characters?
- Who left the gate open?
- Why was that?
- Why do you think Sam chose to walk instead of ride his bike?
- Why do you think Sarah hid behind the sofa?
- What tells us that she may have been cross?
- Is this similar to another story you have read? How?
- Further questions and the reading at home guide is on the website

Godalming Junior School

- Return of the Reading Passport
- Termly challenge to read up to 8 books from the passport
- This is in addition to the books they are regularly reading
- Mainly aimed at those who would like the additional challenge AND the reluctant readers
- Prizes given at the end of each term for those achieving Bronze (up to 4), Silver (up to 6) or Gold (all 8)
- Book reviews also required within the challenge
- Display outside 5CJ - with the book spines on them
- Passports compliment the curriculum e.g. some non-fiction books linked to topics
- Over the course of the year there are an equal number of non-fiction, fiction, female and male authors, stories from different cultures, classic and contemporary

Godalming Junior School

- Continues to be a GLP wide focus
- School Improvement Plan priority
- Focussing on the power of talk around pieces of writing
- Also focusing on writing styles of authors that the children attempt to replicate through the **imitate, innovate and invent model**
- Requires support from parents through reading and being questioned on their reading
- Data shows, nationally, children's READING has a direct correlation to the quality of children's WRITING

Godalming Junior School

Helping with Maths at Home

- Please practise number bonds and times tables.
- Use fun websites to encourage children
- Encourage children to play on TT Rockstars as often as possible
- Let them help you cook (weighing out ingredients, measuring volume etc)
- Let your child use money and work out change. Many children don't ever see coins.
- Help them to be aware of the time - by reading clocks.
- Play games such as monopoly and card games

Remember to keep learning fun!

- We assess the children on a daily basis to ensure that work is tailored to effectively challenge them
- We also have two separate assessment weeks throughout the year

• Safeguarding and Appointments

- At the moment, parents are not allowed to come into the school building due to our new safety measures.
- If you need to discuss a matter with one of us, please either phone the school office to arrange a telephone consultation or send us a email directly. Please allow 2 working days for a response.

Godalming Junior School

- If there is an issue that you would like to discuss with the school, your first port of call is your child's class teacher.
- If you still need guidance with the issue, the next point of call is the Phase Leader - Mrs Crook.
- Then, please make an appointment to see Mr Poole as Deputy Headteacher
- Finally, make an appointment to see Mr Samson if there is still a resolution to be found.
