School Uniform

There is a growing number of children coming to school without their PE kits for either their timetabled PE session or for additional events. PE is a statutory subject and, for health and safety purposes, requires the children to be in PE kit which is clearly defined in the School Uniform Policy. The physical education and wellbeing of children has a very high profile at Godalming Junior School. We take very seriously the importance of physical exercise to help the children maintain a healthy lifestyle, of which our PE curriculum plays a major part. If the children are without their kit this may result in them missing out on the physical element of the session which is frustrating for the teacher and something that can be avoided. Please ensure that your child's kit is in on the correct days as there are a number of additional activities taking place over the remaining weeks of term and it would be such a shame for them to miss out. Please see the diary dates on the reverse of the newsletter and the school website for the events that are coming up.
