

Year 6 Work Timetable for Week Beginning 27th April

Please use your green book for your answers.

Although we may be doing our Home Learning in different ways, at different times and in different orders, we have put together a timetable help with your routine. Feel free to reorder to suit.

When you are in the 27.4.20 class, click the **Classwork** button at the top to see all your work in topic order.

	MATHS Don't forget to test yourself on TT Rock Stars each day to improve and consolidate all your times tables.		ENGLISH Portal Story Activities By the end of this week, you will have written a portal story: your main character will go through a magical door to a new world. The following activities for each day will prepare you for when you begin your writing. Open up the PowerPoint PDF in Google Classroom and follow the instructions for each activity below.		AFTERNOON SESSION Each afternoon session is different. These can be done in any order and some sessions may take more time and will roll over to next weeks' timetable.
M	Arithmetic 7 questions (Use final page to check your answers)	B	Activity 6: Comprehension	L	CHALLENGE CHAMPION! Each week Miss Holcombe and Mr Poole will set you a challenge. You have until Friday 3:00pm (sharp) to complete it and send it to us via Google Classroom. We will view them all and judge them. We will handout points to people who have excelled. This is designed to be a fun challenge to test your creativity in different ways! As there will be a scoring element, it means you are competing against the rest of the year group! Winning entries will be shown through Google Classroom for us all to see.
T	Theme Park - Stage 2	R	Activity 7: Grammar & Sentence Work	U	Computing: Scratch. Using the tutorials on the 'Scratch' website can you create a 'Clicker Game'. Find the link on Google Classroom.
W	Place Value Reasoning and Problem Solving (Use final page to check your answers) This may take 2 sessions	E	Activity 8: Through the eyes of a character	N	Art: Sketching Open up the Art Assignment on Google Classroom for instructions.
T	Continued from Wednesday Place Value Reasoning and Problem Solving (Use final page to check your answers)	A	Activity 9: Planning a portal story	C	Geography: Mountains and survival Over the next 4 weeks choose and research a well-known mountain. For example you could choose: Kilimanjaro, Everest, Mont Blanc, Mt Fuji, K2 Some ideas to get you started: 1. Quick fire facts: eg height, location, part of which mountain range etc.. 2. Explorers, People and their influence. 3. Drawing - Believe it or not each mountain in the world looks different. They have different characteristics and features. Draw in detail the mountain you have decided to research.
F	Problem Solving Questions	K	Activity 10: Writing your own story	H	Reading: Use this time to sit back in a comfy spot with a hot drink and a piece of fruit and read your book.
