GLP Art Challenge

- This term we follow up the Remembrance Challenge, which many schools participated in November
- We now move our attention to our Art Challenge using '**Made in Godalming**' as the stimulus
- Using this 'title' create a pictorial representation of what this means to you
- It could be a place, person, landmark, building, animal, place of interest, view, landscape or something else
- You can produce a collage, drawing, painting, sketch or even a photograph

Art Challenge

- See the poster for more details
