

CRAZY COOKING

AFTER SCHOOL CLUB

TUESDAYS

Let's take a virtual trip around the world & cook the native dishes of lands far away! We chop, cut, mince, slice & mix our way to a delicious meal, all the while having fun creating the dish. Once your meal is completely prepared it is stored in a take home container, with SIMPLE cooking instructions to follow with a parent or carer, as the extended learning continues in your home. Bonus: In our whatsapp group you will receive the recipe card to then use again with your little chef, bringing the world into your own home, over & over again!

Timings: 3:05 to 4:15

Cost: £10 per class x 12 classes = £120.00
