Reading Passport

- OPTIONAL termly challenge to help children read a range of books (up to 8 books from the passport). The passport is not compulsory but statistics from the National Literacy Trust show that children who read a broad range for pleasure at a younger age have more positive life chances (exams, employment).
- Prizes given at the end of each term for those achieving **Bronze** (up to 4), **Silver** (up to 6) or **Gold** (all 8).
- Passports complement the curriculum e.g. some non-fiction books linked to topics. The texts have been carefully chosen by us for this year group.
- There is always a range of non-fiction, fiction, stories from different cultures, classic and contemporary books.

Homework

Homework is very important in Year 6 as we prepare them for homework at secondary school. Please support your child by helping them to develop good homework habits at home.

Homework will not be set until after October half term. Children are still expected to read daily during this time.

Purposeful activities are set and it is good for children to become more independent and manage their own time.

Homework in Year 6 gets children ready for secondary school - comments from ex-pupils indicate that often they wish they got more to prepare them more!

‘Homework Club’ is held weekly at school to support children. Please do not stress about homework at home! If there are any issues, contact the class teacher.

Homework

Subject	Day Set	Deadline Day
English (Up to 40 mins)	Monday	Friday
Maths (Up to 40 mins)	Monday	Friday
Half Termly Project (Up to 90 mins)	Beginning of a half-term	Varies
<p>Children are required to read for at least 10 minutes each evening and comment in their reading record. This must be done for a minimum of 4 times a week.</p> <p>Parents/carers are expected to hear their year 6 child read once a week, and an adult signature should be in the reading record once a week.</p> <p>The reading record is checked regularly at school.</p>		

Ways to help at home...

- **Read with and to your child as often as possible. Also hear them read - this is important for pronunciation and to check their understanding of the text.**
- Children who read books often at age 10 and more than once a week at age 16 gain higher results in maths, vocabulary and spelling tests at age 16 than those who read less regularly.
OECD (2010) [PISA 2009 Results: Learning to Learn: Student Engagement, Strategies and Practices](#)
- Encourage your child to write at home as often as possible. Your child could write the shopping list, keep a diary, write in their own reading record, create comic strips, email relatives, write stories, write down interesting facts... Any writing is beneficial!

Ways to help at home...

- Practise weekly spellings at home.
- Encourage children to play on TT Rockstars as often as possible.
- Trips out to enhance the curriculum.
- Reading clocks - analogue and digital (half-hour before, etc).
- Let them help you cook (weighing out ingredients, measuring volume etc)
- Let your child use money and work out change.
- **To encourage independence with homework.**

E-Safety - what we do in school

- Each year group has an E-Safety unit in Computing at the start of the year.
- Take part in Safer Internet Day every February with a different focus each year.
- Each class creates an E-Safety charter to encourage children to be safe online.
- Regular chats about being safe online during circle times
- Children are supervised when using technology in school. Adults alerted if children search content that is blocked by our monitoring system (Surf Protect).
- E-Safety policy in place which includes online safety.
- Mental health support given to those who need to help tackle issues and build self confidence.

E-Safety: How you can help

- Ensure you have sufficient systems in place. Ask your class teacher or our HSLW if you need support with this.
- If children have mobile phones, they **must** be closely monitored by parents. Our behaviour and anti-bullying policies do make reference to incidents that take place out of school where school relationships are the common denominator.
- Be a good role model - consider what you are doing with technology.
- **If you feel it is necessary for your child to have a mobile phone in school, a request form must be completed and sent to the Headteacher. If accepted, the phone/device must be handed into the school office when your child arrives at school in the morning and collected at the end of the school day. This year we will not be accepting smart devices as we are now a Smart Phone Free school.**
- Be aware of age restrictions - <https://www.common sense media.org/>
