### 10R—Book Week

**"Reading is the gateway skill that makes all other learning possible" (Barack Obama).**

This week at GJS, we have thoroughly enjoyed talking about books and sharing our favourites with each other. With a decline in reading for pleasure, we view this particular 10richment week as vital in the lives of all of our young people! Classes completed reading audits, explored their class bookshelves, made wish lists for books and took part in some of the World Book Day online lessons. All the staff were impressed with the thoughtfulness and time-taken on many of the costumes on Friday - keep an eye out for missing jewellery; there were lots of Gangsta Grannies about! Make sure you child spends their £1 reading token before 26<sup>th</sup> March in any book seller.

### School Value in Focus: **COMMUNITY**

This term the children are studying the value of **COMMUNITY** as part of our assembly programme, circle time themes and PSHE curriculum. As usual, we would always appreciate parents discussing this value further at home to reinforce our work and maybe consider the different **COMMUNITIES** they are part, including our **GLOBAL COMMUNITY**. Discussions could also be had around **THEIR** contributing in improving their local community. We have already enjoyed finding out and celebrating the efforts made recently by some families in fund raising for other **COMMUNITIES** around the world not as fortunate or have experienced a recent trauma and it would be great to hear more about the efforts at home to push this value further.

During the engagement residents, local clubs and businesses will have the opportunity to share their ideas as to how the space should be reconfigured and what activities should take place there. They would like to encourage parents to help and complete their survey with or on behalf of your children. Please see the attached flyer for more details. Well done to our wonderful footballers who represented the school superbly this week in icy conditions. Aply led by Seb 'Keano' Burgess, the team topped their group without conceding a goal only to go out of the competition at the semi final stage in a close contest to Tillingbourne 2-0.
