Reading Expectations

- Children are expected to read at home **as often as possible** -logging this in the reading record
(this can include: co-reading and listening to audiobooks)
- Only adults should comment in reading records
- Key words the children struggle with should be logged as well
- We will endeavor to listen to all children over a fortnight and this will also be logged in your child's reading record

Helping with reading at home

- Lots of information available on the school website.
- Parent information - helping your child

The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.

Dr. Seuss

Five Finger Check

When listening to your child try to remember these 5 key things...

2. Success is key

Ensure the book they are reading is not too difficult. There is a temptation to give a child a book that is difficult thinking this will improve their reading. Struggling with a book with many unknown words is pointless. Flow is lost, text cannot be understood and children can easily become reluctant readers.

3. Maintain the flow

Allow opportunity for self correction rather than interrupting them immediately. It is better to tell a child some unknown words to maintain the flow rather than insisting on trying to build them all up from the sounds of the letters.

4. Variety is important

Remember children need to experience a variety of reading materials e.g. picture book, hard backs, comics, magazines, poems, and information books as well as a range of authors modern and established.

1. Regular Practice

Try to read with your child on most school days. 'Little and often' is best. Teachers have limited to help your child with reading.

5. Talk about the books

There is more to being a good reader than just being able to read the words accurately. Always talk to your child about the book, about the pictures, how they think the story will end, their favourite part, can they empathise with characters? Can they comment on the writers' style? You will then be able to see how well they have understood and you will help them to develop good comprehension skills.

Helping with Maths at Home

- Please practise number bonds and times tables
- The White Rose '1 minute Maths' app- **highly** recommended
- 'How to help your child with Maths' PowerPoint on GJS website
- Encourage children to play on **TT Rockstars** as often as possible
- Let them help you cook (weighing out ingredients, measuring volume etc), shop and check the time.
- Play card games and board games that reinforce number skills

Remember to keep learning fun!

Helping with writing at Home

- Read, read, read!
- Talk comes first - we want children to be able to express their ideas clearly.
 - Verbal stories, fortunately/unfortunately.
- Writing shopping lists
- Instructions - models, lego or games
- Diary writing
- Comic strips
- Reinforcing school values through 'Home Talks' as suggested in weekly newsletters

Remember to keep learning fun!

Homework

- ❖ Not starting until after October half-term
- ❖ Set on Monday to be handed in on Friday via Google Classroom
- ❖ Will usually consist of Maths and English task as well as daily reading at home.
 - ❖ E.g. Maths 'big question' or TTRockstars
 - ❖ Creative writing or a discussion/research opportunity.
- ❖ Children are expected to complete **up to 30 minutes** per piece of Maths and English homework every week.
- ❖ Purpose to continue to engender strong working habits at the earliest age

E-Safety at Godalming Junior

- Each year group has an E-Safety unit in Computing during the Autumn term
- Take part in Safer Internet Day every February with a different focus each year.
- Each class has created an E-Safety charter to encourage children to be safe online.
- Encourage open communication with children to speak up without judgement.
- Children are supervised when using technology in school. (Surf Protect-monitoring system).
- E-Safety policy in place which includes online safety.
- Mental health support given to those who need to help tackle issues and build self confidence.

E-Safety at home

- Ensure you have sufficient systems in place.
<https://www.internetmatters.org/parental-controls/> has information about how to put controls on different devices, websites and apps.
- Encourage open communication without judgement about what children are doing online
- Agree family rules around technology.
- Ensure appropriate supervision when using technology.
- Be a good role model
- Be aware of age restrictions -
