About the Rights Respecting Schools Award

Unicef works with schools in the UK to create safe and inspiring places to learn, where children are respected, their talents are nurtured and they are able to thrive. Our Rights Respecting Schools Award embeds these values in daily school life and gives ALL children at GJS the best chance to lead happy, healthy lives and to be responsible, active citizens

WE ARE A UNICEF GOLD RIGHTS RESPECTING SCHOOL

Children's rights are learned, understood and lived in this school.

world water day

• **22nd March**

Children have the right to the best health care possible, clean water to drink, healthy food and a clean and safe environment to live in. All adults and children should have information about how to stay safe and healthy.

world water day

What do you know about water?

How do you access water in your day to day life?

How else do we rely on water?

A Day in the Life

How far would you walk...

After watching the video, what thoughts come to mind...?

Does the story make you think differently about your access to water?

What have you learnt this morning?

What actions can you take to preserve our water?
