

Godalming Junior School

Mrs Andrea Crook - Home School Link Worker

I am the school's Home School Link Worker. It is my job to forge links between home and school, and to help families with a wide range of topics, such as:

- Managing anxiety and supporting mental health
- Supporting good school attendance
- Promoting positive behaviour (at home and at school)
- Supporting children through bereavement/ separation
- Signposting to relevant services such as CAMHS or Early Help
- Practical support with form filling or attending meetings

I work with children and their families directly and also signpost to relevant agencies.

Support is targeted and solution focused, helping families to access the right support at the right time. I am here to support **all** children and their families.

If you would like to get in touch with me, please do so via phone or email.

01483 421 597 or hslw@godalming-junior.surrey.sch.uk

I am in school **Wednesday, Thursday and Friday.**

Useful resources:

Free online guides for families living in Surrey, with top tips from childcare, education and NHS health experts.
